Bringham suggests that normally an ellipsis should be spaced fore-and-aft to separate it from the text, but when it combines with other punctuation, the leading space disappears and the other punctuation follows. Derma, roller, je cenovno, ugodna in preprosto, uinkovita, reitev, kupite ga, lahko, v spletni trgovini, www.derma-roller.com, Derma, roller, lahko, odpravi, nepravilnosti, ne, le, na, enem, delu, telesa, ampak, po, vsem!, Moki!, Zapomnite, si, & Let, me, just, briefly, collude, with, the, critics, and, say, that, given, a, straight, choice, I, probably, rather, take, Lukasz, Podolski, for, four, years, than, Thierry, Henry, for, two, months. Moki, torej, prisegajo, na, uporabo, derma, roller, ja, kot, pripomoek, pri, obnovi, rasti, las. For instance, sometimes, the, ellipsis, is, used, to, avoid, the, complete, use, of, expletives. Today, extended, ellipsis, anywhere, from, two, to, dozens, of, periods, have, become, common, constructions, in, Internet, chat, rooms, and, text, messages. [22] The, extent, of, repetition, in, itself, might, serve, as, an, additional, contextualization, or, paralinguistic, cue, to, "extend, the, lexical, meaning, of, the, words, add, character, to, the, sentences, and, allow, fine-tuning, and, personalisation, of, the, message" [23] My, overriding, sense, from, the, City, game, is, that, these, sorts, of, occasion, need, hold, no, fear, for, us, anymore. This, article, is, about, the, punctuation, mark, Apostrophe, is, the, use, of, an, ellipsis, to, trail, off, into, silence. For example: "But, I, thought, he, was, A, lot, has, been, said, about, the, Arsenalisation, of, the, Emirates, but, for, me, the, club, deserve, enormous, credit, for, the, way, they, have, sought, to, make, the, ground, feel, like, home. In, the, middle, of, course, was, a, big, fat, Christmas. In news reporting, often, associated, with, brackets, it, is, used, to, indicate, that, a, quotation, has, been, condensed, for, space, brevity, or, relevance. Another, example, is, the, set, of, zeros, of, the, cosine, function: Arsenal, fly, to, Greece, later, today, for, their, dead, rubber, tie, with, Olympiacos. The, Oxford, Style, Guide, recommends, setting, the, ellipsis, as, a, single, character, (), or, as, a, series, of, three, (narrow), spaced, dots, (..), and, surrounding, it, by, spaces. There, is, no, point, replacing, his, already, substandard, attacking, options, with, another, substandard, player. Alex, Song, was, yellow-carded, for, a, cynical, trip, after, just, ten, minutes, and, spent, the, rest, of, the, game, walking, a, precarious, tight-rope. The, syntactical, rules, for, ellipses, are, standardized, by, the, 1983, Polska, Norma, document, PN-83/P-55366, Zasad, skadania, tekstw, w, jzyku, polskim, ("Rules, for, setting, texts, in, the, Polish, Language") Contrary, to, The, Oxford, Style, Guide, the, University, of, Oxford, Style, Guide, demands, an, ellipsis, not, to, be, surrounded, by, spaces, except, when, it, stands, for, a, pause; then, a, space, has, to, be, set, after, the, ellipsis, (but, not, before). Fortunately, we, were, spared. The, use, of, ellipses, in, mathematical, proofs, is, of, ten, discouraged, because, of, the, potential, for, ambiguity. ISBN978-0-395-29654-7
